

Buckinghamshire Libraries

Starting or growing your business? Buckinghamshire Libraries can help you on your journey.

We offer a wide range of resources to assist our business customers and most are free to use.

Available in all Buckinghamshire Libraries

Cobra presents itself as a one-stop shop for advice on all aspects of setting up and running a business. Over 350 business ideas ranging from worm farming to becoming a chocolatier. These are backed up with practical information about target markets, customers and competitors, start-up costs and training.

The Information fact sheets provide a step by step approach to all areas of business life, covering issues such as:-

- Writing a business plan.
- Preparing a marketing strategy.
- Working from home.
- Recruiting staff.

Powerful business intelligence

Available in Aylesbury Study Centre and Buckingham, Chesham and High Wycombe Libraries

MINT UK is our database giving information on 3.5 million UK companies and 1.5 million unincorporated businesses. It is flexible and easy to use. Create a search and find companies within your criteria - ideal for creating lists of target companies, identifying competitors, or researching a company for an interview.

Available in Aylesbury Study Centre and Buckingham, Chesham and High Wycombe Libraries.

Our market research reports from Datamonitor cover 160 sectors worldwide.

Available in Aylesbury Study Centre and Chesham and High Wycombe Libraries.

Legal information covering: Company Law, Health & Safety, Legislation & Cases + articles from legal journals.

We also have a wide range of newspapers, journals, books, eBooks & eMagazines.

Come and talk to us at one of our Business Drop-in sessions held once a month at Aylesbury Study Centre and Chesham and High Wycombe Libraries. Contact us (see below)
